

Connect to your benefits

REGISTER YOUR ONLINE ACCOUNT

- Go to **Manulife.ca** and *Sign in* to *My group benefits*. Select *Register now* to get started.

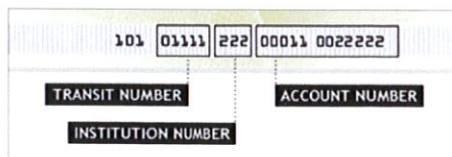

- Fill in your information and *Submit*. You'll need your plan contract and member certificate number on your benefits card.

GET SET FOR FAST REFUNDS

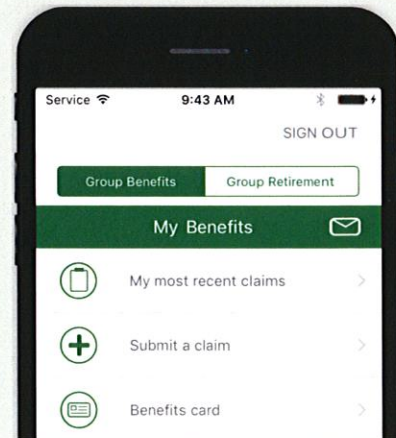

Include your direct deposit information the first time you submit an online claim or with Manulife Mobile. Also include your email address to get notified when your claim has been processed.

Find your banking information from a personal cheque, direct deposit form or ask your bank.

ACCESS YOUR BENEFITS ON THE GO!

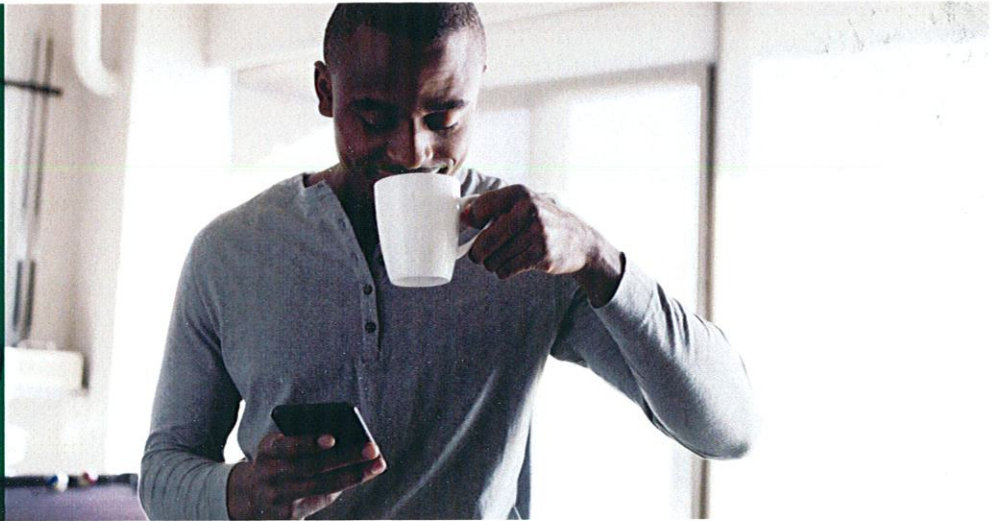

Download Manulife Mobile for **Apple** and **Android**

It's the only app you need to submit claims, use your benefits card, look up medication details with lower-cost options, find health care providers near you and more.

Explore your account

Take advantage of Manulife's online tools and resources!

SUBMIT CLAIMS ONLINE

Sign in to your account and select **Claims** from the top menu, then **Online claims**. Fill in your claims details, review for accuracy and **Submit!** You can also review claims history including current claim status and see your statements.

REVIEW YOUR COVERAGE

Get a summary of your coverage or request a coverage statement for an at-a-glance overview of your benefits plan. Or explore your benefits plan in depth with your benefits under the **My Benefits** menu.

MY DRUG PLAN

See if a drug is covered under your plan, what the plan pays and what you pay. If available, you can also find lower-cost alternatives for your prescriptions.

PHARMACY SAVINGS SEARCH

Find out where to get your prescriptions for less! Enter one or more of your prescription drugs to compare how much local pharmacies are charging.

HEALTH ELINKS®

Find practical advice and information you can use to help improve or maintain your health. Health eLinks also has these tools and features:

- Take the health risk assessment to help you identify potential health risks
- Create a personal health improvement program
- Search the drug database and health library
